

Identify the Tree by its Leaf

Illustrated below is a selection of leaves from trees commonly found in English woodlands. In fact, nine of them are in woods that back onto my house. None of the illustrations is in scale with the others. Can you identify the Tree by its leaves?

			
Larch	Oak	Lime	Beech
			
London Plane	Scotts Pine	Birch	Chestnut
			
Pine	Horse Chesnutt	Weeping Willow	Hawthorn
			
Apple	Ash	Hazel	Holly
