

Metaphors 1

A metaphor is a literary figure of speech that uses an image, story, or tangible thing to represent a less tangible thing or some intangible quality or idea; e.g., "Her eyes were glistening jewels". Below there are 20 metaphors in illustration. How many can you identify? The answers do vary as some metaphors exist in different forms of expression, e.g. a broken heart is also known as a heartbreak or heartache.
