

The Simpsons Recurring Characters

The Simpsons is an American animated sitcom created by Matt Groening (GRAY-ning) for the Fox Broadcasting Company. Since debuting in 1989 there have been many recurring characters. How many can you identify? All The Simpsons characters are copyright and are the property of 20th Television Animation, a subdivision of The Walt Disney Company. These likenesses are used without permission and are for non-profit use; they are not in the public domain.
