

The Flintstones and The Jetsons

Hanna-Barbera produced family-based domestic animated situation comedies The Flintstones and The Jetsons.

Hanna-Barbera Productions is now part of [Warner Bros. Animation](https://www.warnerbros.com/animation). Broadcast originally in the 1960s, television has repeated them many times since. Images of the characters used is without permission and all rights remain with copyright holder. These likenesses used are for non-profit use; they are not in the public domain.

Below there is a mixture of 20 pictorial representations of main and recurring characters from both series. Can you name them?
