

Metaphors in Conversation 01

Everyday conversations are filled with metaphors—common sayings where the meaning is completely different from the literal words. Using them makes your speech sound more natural and authentic.

Below in Metaphors in [Conversation](#) 01 are 20 pictures representing common metaphors used in conversation. Look at the images and ask yourself: What metaphor is being conveyed? What is the deeper meaning? Keep in mind that some of these sayings may have regional variations.
