

TV and Movie Aliens

Producers, writers, and other creatives have brought a variety of extraterrestrial aliens to television and cinema screens over the years. Most of them are actors dressed up to look “alien”. No one knows what they look like, as humanity hasn’t met any yet.

Are you an alien fan? How many aliens can you name, or the programme or film featuring them?

			
Dr Zoidberg (Futurama)	Xenomorph, Alien	Paul (2011 film)	Decimas, Blake'S 7
			
Gorn (Star Trek)	E.T. the Extra-Terrestrial	Romulan, Star Trek	Navi, Avatar
