

## Butterflies

The following butterflies are some of the common species spotted in gardens. How many can you put a name to?

|                   |                     |                |                    |
|-------------------|---------------------|----------------|--------------------|
| Brimstone         | Small copper        | Painted lady   | Gatekeeper         |
| Chequered Skipper | Small tortoiseshell | Peacock        | Green-veined white |
| Common blue       | Small white         | Purple Emperor | Holly blue         |
| Essex Skipper     | Speckled wood       | Red admiral    | Large white        |
| Garden tiger      | White Admiral       | Scotch Argus   | Orange-tip         |

  

|                                                                                     |                                                                                     |                                                                                      |                                                                                       |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|    |    |    |    |
| Chequered Skipper                                                                   | Green-veined white                                                                  | Scotch Argus                                                                         | Red admiral                                                                           |
|   |   |   |   |
| Holly blue                                                                          | Gatekeeper                                                                          | Small copper                                                                         | White Admiral                                                                         |
|  |  |  |  |
| Common blue                                                                         | Painted lady                                                                        | Small white                                                                          | Small tortoiseshell                                                                   |
|  |  |  |  |
| Essex Skipper                                                                       | Large white                                                                         | Orange-tip                                                                           | Speckled wood                                                                         |
|  |  |  |  |
| Garden tiger                                                                        | Brimstone                                                                           | Peacock                                                                              | Purple Emperor                                                                        |
